

Billing/Cost Information for New Rotarians

There is a \$40.00 one time membership fee paid by all new Rotarians.

Annual dues of \$200.00 are charged semi-annually (\$100.00 each) on January 1 and July 1 of each year. **Dues are not refundable.**

Meals are charged at \$9.00 per meeting paid in advance and billed quarterly. Typically there are 12 or 13 meetings in a quarter which will result in a quarterly billing of \$108 to \$117. There is also a \$100/year local dues assessment which is billed \$50 in March and \$50 in October. Billing dates are January 1, April 1, July 1, and October 1. There is no refund on meetings missed should you resign from the club prior to the end of a quarter. However, if you makeup a Rotary meeting and give the Denison Rotary Club Secretary a makeup notice, the following quarter you will receive a CREDIT on your statement for \$9.00 so you will not be paying twice for one Rotary meeting meal. There is no provision for Rotarians to go inactive and not pay for their meals. The only way to avoid the meal charge is to resign from the club. Guests brought by Denison members are charged at \$9 and will be billed on the members account the following quarter's statement. The minimum cost to be a Denison Rotarian is about \$700/year.

New members will be billed on a prorated basis for their meals and dues when they join the club until the end of that quarter for meals or until the end of that semi-annual billing cycle for dues. There will be a bill included in your new member packet when you are presented for membership. There is no need to pay these initial fees before joining. Rotary is a not for profit organization and expects prompt payments of bills to maximize our charitable works in the community.

Please forward all Rotary makeups or any questions you might have on the billing policy to:
